NOTE.—The difference of Rs. 6,001 between column and the sum of columns 3 and 5 is due to the exclusion from the latter columns of the assessment on rented villages or which particulars for dry and wet areas are not separately available. The difference between column 13 and the sum of columns 9, 11 and 12 is similarly due to this cause, and also to the fact that column 13 excludes the amount (Rs. 55,084) of fixed and seasonal remissions.
